

VINCENZO CAPUANO

World champion of pizza

Hello Milano!

Vincenzo Capuano
vivere di pizza è meraviglioso

History

Vincenzo, among the protagonists of the **nouvelle vague** of Neapolitan pizza, **experiments and innovates**, keeping his roots firm.

Study of the dough, **precision** of cooking, balance of seasonings and **lightness** characterize his pizza.

Third generation family, represents three evolutions of Neapolitan pizza: grandfather, father, him.

Knowledge and flavor are the pillars of his mastery, transforming pizza into a journey through the history and culture of Naples, reinterpreted with passion and love.

Contemporary dough The new era of Neapolitan Pizza

For our contemporary pizza we use **Mulino Caputo** flour, from the **Nuvola line**: a careful selection of **100% natural raw materials**, without additives or preservatives which guarantees **volume and softness** of the dough thanks to the high fermentation capacity naturally present in the grains

The delicate flavor of Fiordilatte The freshness of our Provola

Latteria Sorrentina represents the true **tradition of Campania**, which has been handed down over the years from generation to generation: the **passion** for **new food, the genuine one**, the authentic one.
