Living on pizza is wonderful

Vincenzo Capuano

I'm a third-generation pizza chef, raised amidst the aromas of my family's ovens in Naples. I've transformed tradition into something contemporary, creating my own contemporary pizza: light, vibrant, made with technique, heart, and quality ingredients. Every dough tells my story. Every pizza is a piece of Naples I bring to the world. Making a living from pizza is wonderful.

contemporary PIZZA

For our contemporary pizza, we use Mulino Caputo's Nuvola flour: a carefully selected of 100% natural ingredients, free from additives and preservatives. Thanks to the high fermentation capacity naturally present in the grains, it guarantees light, soft, and well-aired dough.
